## *Wagging Tales: Every Animal Has a Tale*

Many people have a special bond with animals, but few have the ability to understand the innermost thoughts, feelings, and desires of different creatures. Author Tim Link is one such individual—a man blessed with the ability to communicate with animals telepathically.

In his new book, *Wagging Tales* (Emerald Book Company, a division of Greenleaf Book Group, May 2009), the author details some of his most dramatic and moving encounters with the animal kingdom. From helping a lost cat find her way home, to comforting a Catalan sheepdog after back surgery, Link shares stories that are both entertaining and heartfelt.

A full-time animal communicator and a Reiki energy healer for animals, Link has never failed to reach an animal, even if the animal has transitioned to the next world. In these dramatic and moving stories, Link describes how he communicates with animals, not only in words, but also in feelings, smells, tastes, emotions, and images. By building powerful intuitive connections with other species, Link has transformed the lives of numerous animals and the people who care for them. His honestly crafted stories will transform the lives of readers as well, as they learn to open their minds and hearts to all creatures great and small.

Whether it's a story of joy, loneliness, or redemption, every animal has a tale, and Tim Link has brought magically resonant tales to life in this powerful collection of stories. A portion of all proceeds from the sale of this book will be donated to animal rescue organizations.

President and CEO of Link's Wagging Tales, Inc., Tim Link uses his ability to communicate with animals to help build stronger relationships between humans and their animal companions. He has been featured nationally and internationally in numerous articles and television and radio programs. Tim and his wife live near Atlanta, Georgia, with their many pets.
